The 1942

The Chronoscope

of 1942

PUBLISHED BY THE STUDENTS OF
THORNTON FRACTIONAL TOWNSHIP HIGH SCHOOL
CALUMET CITY, ILLINOIS

 **“Off the Record” Edition**

The machine starts, and the record goes round
and round, the needle hits the groove, and then
we have a chance to relive the year just past.

It was a wonderful year and a terrible year. For
although we still hear the laughter and songs of
America's youth, a new note is added. It's the

click of knitting needles keeping time to the strains
of "Remember Pearl Harbor."

For America is at war and so is America's
youth. But with a heart full of love and laughter,
America's youth can and will meet and overcome
even an obstacle as great as this.

So with the greatest of admiration, we dedi-
cate this 1942 **CHRONOSCOPE** to America's youth
who must take it on the chin and meet the world
with a smile on its lips and a song in its heart.

Remember—It's Off the Record

There are many interesting things we students and friends of T. F. don't know about our faculty. We'll tell you a few—but remember, it's strictly "Off The Record."

Did you know that—

Miss Helen Brazzill has a lovely soprano voice which we should all like to hear a lot more of . . .

Miss Katherine Brazzill is quite the expert in selecting choice pieces of glassware and is studying advanced chemistry on the side . . .

Mrs. Ruth Hale Canaga is of the famous Hale family of which Nathan Hale was a member.

If he weren't so busy with speech and debate, Mr. Earl Davis might very well coach athletics, being well qualified.

There is hardly a new book which Miss Josephine Dempkowski hasn't read. When in high school, she was voted most studious . . .

We have on our faculty one man who is able to read Greek—Mr. Raymond Elvin studied it in college . . .

Our very scientific Mr. Samuel Frey also swings a mean hammer and saw. He remodeled an old home into a beautiful modern-day abode . . .

Miss Adeline Jaacks is an ardent stage play addict—she sees them all! Golf is another pastime of hers . . .

Mr. Lester Kelly received his letter at the University of Illinois and he not only teaches health and athletics, but he practices what he teaches . . .

And, surprise—our charming Miss Anna Schmidt can whistle with the best of 'em! She's almost as good as Elmo Tanner. Needle work is another of her accomplishments . . .

Miss Mary Shemaitis takes dancing lessons regularly, has a champion diver for a sister, and has twin brothers . . .

We have a composer with us—Mr. Franklyn Kingdon is composing a symphony . . .

Mr. Harvey Lambka, our Latin teacher, is a collector of all sorts of plants and flowers—his main interest, though, lies in the various cacti plants—asticky subject, we'd say!

Our handsome Mr. Aitken Young not only can make the frosh girls' hearts beat double time, he can also knit double time! Has a good voice, too . . .

Although he's not at all corny, Mr. Jackson Kiester takes a great interest in crossing different brands of corn to see what he can get. . .

And, as would be expected, Miss Fanchon Remund, our librarian, is an authority on books—she doesn't miss one!

Miss Clara Ihrig was once a counselor at a girl's camp. And is also an excellent ice skater.

Beauty must run in the McBair family. Her sisters are just as pretty as she is. She also has a brother in service . . .

Our quiet Mr. Arthur Smith was once associated with the University of Illinois Placement Department. He knows many of the outstanding athletes from Illinois.

Our well-known athletic coach, Mr. Wilbur Petree, also has more than ordinary talents as a "woodchopper." We hear from reliable sources that he could throw a book case or cupboard together in no time . . .

Mr. James H. Leonard not only teaches his interesting American Problems classes, but he can practice law on the side any time he has a mind to.

Miss Lucille Slocum has been collecting rings for a long time now. The Library Club once had the pleasure of seeing some of her interesting specimens . . .

Miss Elizabeth Kessinger knows all the tricks of big politics. She should, because once upon a time she was secretary to a "big-time" politician in Springfield. . .

And, among our interesting faculty, we have a man who was awarded the Purple Heart for courage in World War I—Mr. Fritz Nelson . . .

Imagine going to forty-eight different high schools! Well, Miss Virginia Martin did just that. Her papa is a chemist and was transferred frequently, so Miss Martin went too . . .

Small, sweet Miss Helen Temple always looks so nice. And the reason? She designs and makes her own clothes. . .

The Thornton Fractional Township H. S. Faculty

Row 1: Bruce Miller, Helen Brazzill, Wilbur Petree, Sigrid Moe, Lester Kelly, Josephine Dempkowski. Row 2: Mary McBair, Raymond Elvin, Lucille Slocum, Harold Christian, Anna Schmidt, Jackson Kiester, Clara Ihrig. Row 3: Henry Legg, Mary Shemaitis, Earl Davis, Mrs. Ruth Hale Canaga, James Leonard, Helen Temple, Wilfred Stock. Row 4: Lawrence Luce, Fanchon Remund, Harvey Lambka, Clarence Koedyker, Adeline Jaacks, Henry Potts, Ruth Etter. Row 5: Fritz Nelson, Arthur Smith, Aitken Young, Franklyn Kingdon, Elizabeth Kessinger, Samuel Frey. Not in picture: Katherine Brazzill, Virginia Martin.

Mr. Clarence Koedyker is one man who can truly say, "This is my house!" He built his own home all by himself . . .

They say men are just grown up little boys (not entirely grown up). We kind of wonder at Mr. Lawrence Luce. He owns one of the most elaborate electric train outfits around these parts . . .

Miss Sigrid Moe, our very busy sponsor of publications, is especially surprising. She not only looks enthusiastic about the students' efforts, she actually is . . .

Surprise! Reserved, business-like Mr. Henry Legg was once a traveling salesman. He sold engravings for high school year books . . .

Mr. Bruce Miller worked his way through college. And little would we guess what he did. No, he washed dishes . . .

Another ambitious man was Mr. Henry Potts. He also "washed his way through college" Only he had an advantage—it was in a sorority house. . .

Miss Margaret Etter gained much of her experience in cafeteria management and menu arrangement in hotels. She was a waitress and worked up. . . .

Every job under the sun was held by Mr. Stock during the years he worked his way through college.

And, finally, did you know that Mr. Harold Christian rides to school every morning on his sturdy bicycle?

Little did you think that we had such a very human, likeable faculty. They have to be kind of "crabby" now and then, but, honestly, they're swell!

Seniors

It's on the record—no, that isn't a mistake. We meant to say "on" the record instead of "off" the record. Why? Because this senior class is on the record as being one of the most outstanding ever to graduate from Thornton Fractional.

We're on record as having two members of our class co-captaining a championship football team. We're on record as having a senior edit the first magazine F. We're on record as having members of our class outstanding in speech and radio work. We're on record as having the honor roll.

Here are the names of our class officers: Wayne McMullin, president; Tom Shaffer, vice president; Adelaide Miller, secretary; and Harold Perkins, treasurer. Our class motto is "Education Tomorrow, Freedom Today." Our class colors are red and white, and our class flower is the red carnation.

As we undertake our academic undertakings, tests, or scholastic

Now this may sound like just a lot of talk, but the graduating class of '42 was really "in the groove."

And now "just for the record" we'll give you a look at this outstanding class, their pictures and a list of their activities to prove they're just as good as we've been saying they are.

CAST OF "DON'T DARKEN MY DOOR": Harvey Dean, Doris Follick, Arlene Weidig, Marilyn Crane, Elizabeth Hesselbarth, Nina Cusick, Bob Rentner.

It may be that what I'm going to tell you should not be told. It is not the usual gushy, "what-a-super-colossal-stupendous production" stuff. It's fact, though.

The 1942 Senior Class Play just didn't start out right! The cast wasn't especially cooperative at the start, rumors were circulating that the play was lousy, and, in general, the outlook must have been dreary for Mr. Kingdon! One night the cast finally received a much needed talking to and that started the ball rolling! The play was a smash-hit and everyone was pleased.

Mr. Kingdon exercised much patience and tact—which the cast appreciated after all was said and done. Such things as screaming at the right pitch, walking correctly, keeping in character, are the basis of a good play. Some people say they are "just detail"—they are! But, what detail!

Bob Rentner practically "took" the play with his characterization of Alec, the farm boy. His "Clem" effect was hilarious. Doris Follick did a first place job of Poppy, the maid. Marilyn Crane was tops as the young, romance-stricken girl. All in all, the characters portrayed their parts with more than average ability.

Although "Don't Darken My Door" looked pretty "dark" in the beginning it came out in the lead on April 24, 1942. And why? Because Mr. Kingdon is T. F.'s own "Miracle Man!"

JUNIOR PLAY LEADS

Howard Barker, Abby Abblett

Junior Class In the Groove

The Junior Class is solid, in the groove, really hep!! We've just been playing back the record they made this past year and it's music to our ears!!

They're not destructive by nature, but they shattered existing attendance records for the Junior Class Play on March 11 into a thousand bits. Playing to a capacity audience, "June Mad," a light comedy involving teen-aged characters, brought in large enough receipts to guarantee a really super Junior-Senior Prom. Clara Ihrig and Marian McBrair were the co-directors.

And the Class Officers for '42 and this year's Junior Council introduced a revolutionary idea—buying class rings or pins in the third, instead of in the last year. And the idea caught on so well that hereafter it may be a general practice.

On the whole, we just can't think of a better class to take over the places of the present seniors—than we juniors!!

In the pages that follow each junior will reveal his pet nickname and his favorite band and popular song.

An Unusually Successful Year

The Girls' Club had an unusually successful year of activities including social affairs and community service. Its fine record started rolling on September 9 when, at the first board meeting, they planned the Big Little Sister Party in charge of Lillian Horst, made an announcement of the first tea on September 17, and appointed committees for the Girls' Club Dance. Outsiders were permitted to come to the dance this year for the first time and Phyllis Nordaker, chairman of the dance, was happy to see the record breaking number of 140 couples attend the Mexican Fiesta.

Not in picture: Jo Ann Clark, Candy Sales; Adelaide Miller, Publicity; Betty Ann Rappe, Assemblies.

Sophie Sarros, who was in charge of community service, took care of Christmas seals, and the filling of Thanksgiving baskets.

V-I-C-T-O-R-Y was the cry of the girls under Peany Hesselbarth who worked hard at their defense social to make enough money to help purchase a \$75.00 War Bond. Later the club promoted the sale of defense stamps, going all out for National Defense.

So the calendar is brought up to date and the Hallowe'en party, the Alumni party, the teas, the Boys' and Girls' Club Skating party, the Senior breakfast, Bow-day are things of the past.

One more important date is left, the Mother-Daughter Party on May 1. The guest speaker, Miss Smithies, was from University High, the University of Chicago. T. F. pins were awarded and a cup for the most active girl was presented. Then came the installation of new board members and the revealing of the new Girls' Club president.

If the next year is as successful as this one, there won't be any need to make a record because it will all be broken anyway.

Dancing Under Fire

Pete Bereolos called to order the last meeting of the 1941-42 Boys' Club Board and looking back at the past year, found that it was a successful one, indeed. One of the first events given by the club was the welcoming party on September 24 for the freshmen boys. At Thanksgiving the Boys' Club helped the Girls' Club in the filling and distributing of baskets on November 19. On March 13 the boys entertained their fathers at the Father-Son Party, where a swell program was presented and refreshments were served. Next was the Boys' Club-Girls' Club Roller Skating Party given at the Palace Roller Rink on March 23. The last event on the social calendar was the Boys' Club Dance on April 17, having a most appropriate theme, for the decorations centered around the idea of "Blackout." Tables around the dance floor were lighted with candles in bottles; signs

read "Bomb Shelter;" there were sand bags and a realistic entrance to air raid shelters. The programs were in the shape of a bomb. The music was provided by Reynold Yonug and his orchestra.

It was the first year that outsiders were allowed at a Boys' Club Dance and a record breaking crowd attended.

The year's activity list was lastly filled with gifts of clothing to needy boys in the school.

Selling Tickets Is Fun

Smiling up at you, you wouldn't dream of the clocklike machinery that whirs and buzzes in the head of Miss Jaacks, a record in herself with as sweet a story as you'd ever like to hear.

"Why," she exclaimed, "thousands and thousands and thousands of dollars go through room 221 every year, and this year is the best year we've ever had."

When I asked her what TICKETS have that "get" her she peeped up at me and just said, "It's fun". She claims that she can't sell anything herself but likes to hound other people, bawl them out, and tell them to bring her some money. And they do.

A reliable crew of fifteen is what does the ticket selling and the arduous process involved in stamping the tickets. From season to season starting in September, the same ones sell, making themselves known and knowing others.

The strategy of good ticket sellers is to "dog" the very footsteps of the "victim" but still be so pleasant that he doesn't realize that there is such a calculating hound at his heels. Good advice for this type of a pastime, says Miss Jaacks, is to start at the beginning of the year and to continuously sell anything and everything.

What is derived from this gruelling work? A sense of accuracy and responsibility is the answer. You will develop a pleasing personality, enlarge your circle of friends, lose that shyness and be able to approach anyone in an easy manner.

If you like to "get around" just sell tickets. It's fun!

Victories Make Sweet Music

The debate and speech teams really get around!! Multiply by two the mileage of trips taken by an athletic team, and you'll have a conservative estimate of how far we travel annually. Behind the impressive accumulation of wins, you'll find tedious hours of research, practice, and mapping of strategy under the supervision of coaches Davis and Legg. We won five major debate and four major speech tournaments.

A resume of major trips and tournaments for the '42 season goes something like this:

Feb. 6-7—180 miles to Augustana for the Annual Rock Island Debate Tourney . . . 6 wins . . . 6 losses . . . schools from four states entered.

Feb. 14—175 miles to State Normal College at Charleston . . . met the tough Southern Illinois teams which are all perennial contenders in the State finals . . . debate, first (Thedens, Gibbons, Tarras, Lynn); speech, fifth place.

Feb. 21—TF sponsored a speech tourney involving 110 contestants from eight schools . . . won ourselves by a landslide.

Feb. 28—Clark sponsored a five school speech meet . . . took first . . . Thedens first in extemp and Follick first in poetry.

March 21—Mendota—Annual Northern District debate tournament . . . second place . . . qualified us for Nationals . . . not held this year.

March 28—Proviso Sectionals in Maywood . . . debate team, first . . . Rappe, serious reading, first . . . Thedens, extemp, first . . . Buffington, comedy reading, second . . . Wahlgren, original oratory, third . . . Miller, oratorical declamation, fourth. Our accumulation of points made us Sweepstake Champs and earned us banners and individual awards.

April 18—Bloomington—Wesleyan College—hit the jackpot here . . . debate, first . . . Thedens rated by the point system as the tourney's best debater . . . Gibbons judged second . . . Thedens, first in extemp . . . Wahlgren, first, original oratory . . . Rappe, second, serious reading . . . Buffington, second, comedy reading . . . Harle, third, comedy reading . . . earned six banners for TF.

April 24-25—State Meet—at U. of Illinois . . . debaters undefeated in six rounds to tie for first as State Champs with the powerful Du Quoin squad . . . Rappe . . . second best serious reader in Illinois . . . Thedens added another first to his extempore work . . . Buffington and Wahlgren barely missed placing . . . earned two trophies and two individual medals.

A Symphony in Three Movements

It's just like those records — they go round and round and are played over and over again. The only difference is that it takes two weeks to play that thing called "THORNTONIAN" and the record never changes. We can compare it to a symphony—divide it up onto movements.

The first movement consists of a thing called an assignment sheet, which lists all the articles that will go into the next issue of the THORNTONIAN. The name of the reporter, the length of the article, and the date on which it is due are down there too. Each of these assignments is copied on a slip of paper and given to the reporter. He writes the article and turns it in to the editor who checks it off on his list.

The second movement begins with typing all the articles and sending them out to the printer. The typed articles had to be copyread, that is they must be corrected for spelling, punctuation, and factual accuracy by at least three people. Then headlines must be written on each piece of news and the size of type, width of the printed column, and general makeup of each piece indicated. This movement concludes with the delivery of the finished copy to the printer.

A few days later the third movement begins. In the meantime type has been set up in the print shop and two sets of proof have been printed. These are delivered to the editorial staff together with the original typed copy. One set of proof is carefully read over and all the errors are corrected. The other set is cut up into separate articles and pasted on a dummy, which is a sheet of paper the size of a printed THORNTONIAN. The corrected proof and the dummy are once more sent to the printer and after making the indicated corrections he puts the paper together as it is on the dummy-sheet.

Our symphony ends on a joyful note when the printed papers are folded and made ready for delivery to the eager student body. Then the long awaited climax is reached. Do they like it? Is this latest performance of "Thorntonian" a success? Does our symphony meet with the approval of the audience?

There is only one trouble. Tomorrow the whole thing has to start over again—just like a juke box with only one record.

"Teen" Receives Applause

Another milestone in the history of Fractional is the new magazine, TEEN, which was received with enthusiasm when it made its appearance on May 1.

The search for T.F. talent was not in vain, as all sorts of ingenuity and cleverness were uncovered by the English Teachers in their classes. Miss Ihrig, Mr. Davis, Miss McBair, Miss Helen Brazzill, Miss Dempkowski, Miss Jaacks, Miss Remund, and Miss Kessinger collected most of the material and much credit is due them for their help in getting subscriptions.

In the 34 pages were crammed 55 stories, and out of the 41 contestants these winners were judged by Mrs. Earl Davis as having the most original and interesting contributions. Short stories—Marilou Carroll. Essays—Albert Wahlgren. Poetry—Leonard Lute.

Sponsors of the magazine are Miss Moe and Miss Jaacks. Everyone is interested in making this magazine an annual publication.

This Book—Their Job

Need we say that had it not been for those hard-working boys and girls, those students with originality and ingenuity, we would not have this "luscious" CHRONOSCOPE?

Every year about March the **Thorntonian** staff takes a vacation—well, anyway, a vacation from the **Thorntonian**. They turn the job of writing the newspaper over to the journalism class as a tryout test to discover journalistic talent for the next year's staff. In the meantime, various members of the original **Thorntonian** staff take over the work of writing the year book. They are chosen by the **Chronoscope** editor and Miss Moe.

They slave and slave and slave and—here it is! But, of course, the editorial staff alone cannot publish a year book. A great deal of credit goes to those people who solicit the business men of our city for the ads which appear in the back pages of this book. A job like this definitely needs an adviser with oomph, and Miss Jaacks undertook this work with her usual stride.

Our War Effort

We're at War! True, we still have our swing bands, our cherry cokes, our home work. But if you ever think that young America is partially oblivious of the war because their peacetime schedules are so little disturbed—well, just come to Fractional, abuzz with a variety of war time efforts.

There are Miss Martin's and Miss Moe's knitting and bandage rolling groups (more recently dissolved because of material shortages). The Girls' Club boasts the gift of a \$75 war bond purchased with profits from a night social. They fostered also the ideas of selling defense stamps before school and during lunch periods relieving Mr. Miller of the task, as well as collecting cancelled American stamps which are sold to English stamp collectors; proceeds are used to help buy cots for a London hospital. For our own armed forces the Library Club sponsored a "Books For The Yanks" drive and brought in about 300 books.

We have air-raid drills, too, with shelters provided for each home-room. Students have been instructed how to extinguish incendiary bombs. Finally, physical fitness is stressed by "Doc" Bascomb and by his clinic assistants.

Now what do you think?!

A Record Record-Smasher

The 1941 Carnival was a record record-smasher in a year full of smashed records.

For example, it was the first year that the show was written by T. F. students, for this year's show, "Hawaiian Holiday", was the brain child of Angie Vitale and was written by Albert Wahlgren, Marilou Carroll, Elizabeth Hesselbarth, and Virge Fedosky.

They did a swell job of it too. Just in case you've forgotten, it rolled along something like this

The curtain went up to the strains of "Song of the Isles" and onto the stage hulaed twelve luscious hula girls—grass skirts, leis and all.

However, their dance was soon broken up by Albert Wahlgren, who came running in to carry out the story which concerned a vaudeville troupe stranded on a South Sea Island. As another boat was not expected for some time, the troupe decided to put on a little entertainment for the islanders and also to be entertained by the islanders, who at the command of their chief, Edgar Thedens, consented to help pass the time by providing some native songs and dances.

Betty Ann Rappe an Englishwoman comes into the scene and continues to pester the "chiefy" throughout the show.

Also making his first appearance was Gordon Hagdohl, a native, who ran through the scenes carrying a glass of water to put out the fire in the volcano.

Angie Vitale, dressed in a sarong, crooned "Moon of Manachura". Joan Schuman, not to be outdone by a native, did a tap dance on roller skates.

Hula Dancers — Shirley Blackburn, Elizabeth Hesselbarth, Betty Renter, Sophie Sarros, Virginia Fedosky, Lois Knott, Barbara Gilbreath, Dorothy Wojcik, Lillian Horst, Evelyn Dabich, Mary Elaine Jones.

Barby Gilbreath sang "It was Wonderful Then" to her hero Dom Vitale in the role of Bobo.

The Man on the Street entered with a group of followers. Maybe you recognized Marilou Carroll as the announcer and Kathryn Boglarsky, Pat Lauerman, Grace Jones, and Phyllis Harle as the gang of beach combers who carried out the clever scene.

As they left, the advanced tap group displayed some lovely costumes as well as some quick footwork.

Wayne McMullin, plantation owner, strolled in with Lila Mae Winterhoff and invited the entire group to a party at his home that evening. After Lila sang "I'll Never Let a Day Pass By" the curtain dropped on the first act.

Intermediate Tap—Janet Searles, Charlene Zelzer, Abby Abblett, Virginia Barth, Gertrude Dobis, Lorraine Hill, Evelyn Thompson, Joyce Carr, Dorothy Mazur, Marjorie Lutz.

Boogit Dancers—Catherine Mangiaracina, Emmy Lou Stachowicz, Marjorie Nowak, Joan Panfil, Ila Isaacson, Lorraine Miller, Mary Jean Butler, Jean Haney, Bernice Magdziak.

Emma Peters, mistress of ceremonies, announced the second act, and the curtains parted on a darkened stage softly flooded with tropical moonlight. The Double Sextette sang the lovely "Intermezzo".

"You Stepped out of a Dream" was sung by Harold Perkins, and Marilyn Crane and it sounded as if it had "stepped out of a dream".

The "Merry Widow Waltz" was sung by Doris Recker while the waltz ballet moved back and forth across the beach in a graceful weaving pattern. Marie Cole and Mac Budzowski followed with a beautiful waltz that displayed real talent.

"It's a Blue World"; at least that's what Myrl Larrance said in the song that followed—and said it very nicely too.

To break up our slow and easy mood "The Music Breakers," Stan Dembowski, Michael Pryor, Jack Riota, and Bob March entered with a little peppy music and the announce-

ment that a ship was off shore. Some of the sailors and the girls in the troupe teamed up and presented a sailor tap to the tune of "Apple Blossom Time."

A trio composed of Myrl Larrance, Doris Recker, and Virge Fedosky sang "Blue Champagne" and the act closed with a toe tap by Mary Elaine Jones.

The third act started off with a bang—and a charlonga to "Night and Day". Jeanette Mills and Rita Wright presented a novel specialty dance—and very cute it was.

FOOTBALL HULA DANCERS

Lewis Galik, Tom Glick, Harold Perkins, Russell Buhring, Tom Shaffer, Bob Rentner, Charles Cul-
lum, Pete Bereolos, Archie Ross, Dominick Vitale.

Our heroes—the football team, then gave the “Hawaiian War Chant,” and Lorraine Kimmet as their mommy sang to “Daddy”, Robert Stenberg. Next Lorraine sang “Blue Hawaii”. Eileen Murrin, in a cellophane hula skirt, performed an acrobatic dance.

Then as the vaudeville troupe left the island, the chorus and hula group bade them farewell forever with the “Aloha Chorus”.

The attention after this turned to the dance, where Wayne McMullin and Virge Fedosky were crowned King and Queen of the Carnival.

Gross receipts of the Carnival were \$1,517.30, while expenses were \$792.30 leaving a net profit of \$725. This net profit was divided as follows: Girls' Club, \$108.75; Boys' Club, \$108.75; Publications, \$217.50; Assembly Programs, \$290.00

Petree Does It Again

Champs for the second consecutive grid season! Yes sir, with ten lettermen to build around Coach Petree did it again! After a shaky start, the Meteors regained their characteristic fighting spirit to be one of the finest teams in the district in capturing the coveted crown of the South Suburban Conference for the fifth time in the last seven years. In booking only the most reputable outfits of the area, Coach Petree guided the Calumet City team to 6 wins, 2 losses, and one tie. It was the toughest schedule in the history of the school.

During the 1941 season the light, but hard charging Meteors compiled one of the best defensive records of any Illinois high school. Against eight state prep elevens, the "stateliners" held their opponents to a scant 14 points.

Pat Harmon, Champaign News-Gazette sports scribe, who has viewed more school-boy clubs than any man in the state, remarked following the Meteor-Harvey tussle: "Calumet City has one of the hardest tackling teams in Illinois".

Outstanding player of the contest was a gent by the name of Julius Ratajovich, an all-state halfback. "Joltin'" Julius is said to have been the hottest ball carrier on the other side of the state line since famed Tom Harmon roamed the Hoosier gridirons for Gary's Horace Mann, a conference competitor of the "Hornets."

After a week of ironing out the rough spots the Meteors traveled to Jack Benny's home town, Waukegan, a first rate member of the strong suburban League. Old Sol poured on the heat that blistering Saturday afternoon and kept both teams on an even scale till the third quarter when Johnson,

Waukegan's star colored halfback, took a short pass in the flat and raced thirty yards for the only score of the tilt. The loss was TF's second in as many starts and Fractional's optimistic supporters were beginning to wonder if they had overrated the experienced senior outfit.

The answer came six days later. Meeting their first league opponent, Kankakee, Friday night, the determined Fractional boys turned on their potenial power to be on the long end of a 34-0 score. Touchdowns were made by Sonnenberg, La Noue, Sobczak, and Shaffer. The educated toe of Perkins added 3 extra points and an attempted conversion by Vitale was also good.

With fire in their eyes, the Meteorites, who had returned to their true form, ran wild on the Blue Island gridiron the following Saturday afternoon. With every man on the squad seeing action, the "Islanders" were slaughtered 39 to 0. Being held to 7 points the first half, Fractional over-ran the "Ponies" in the last two periods to score 5 touchdowns. The Meteors' tight defense held Blue Island to a gain of 28 yards and one first down while their offensive clicked for 294 yards. Big "Gootch" Sobczak plunged from the one yard mark to the first two scores and Bill Freyman was credited with 18 points. A pass interception by Don Zimmerman gave TF the final six points.

October 10 took the high flying Petreemen to Harvey, where they

met the heaviest school boy team in the state. The Meteors, whose forward wall averaged 170 pounds were outweighed 25 pounds to a man. The Wildcats took the kickoff and were immediately on the march. Advancing the pigskin to the 17 yard line, it appeared that Harvey's superior weight had already decided the contest. But Fractional's line fought gallantly with their backs to the wall and threw the "Flying Clouds" for four straight losses totaling 19 yards. From then on it was anybody's ball game. A desperate last minute Calumet City drive put the football on Harvey's five yard line, but the weighty Lipe Aggregation frustrated the Meteor attack. The thrilling contest ended in a scoreless tie.

Thornton Fractional's first Home Coming, held October 24, was a great success by virtue of our victory over Bloom of Chicago Heights. In a see-saw battle that went from one end of the field to the other, the Meteors were able to eke out a 6 to 0 score over the Trojans. Vitale's 25 yard pass to La Noue in the end zone proved to be the margin of victory.

November 1 will be a date long remembered by the boys on the 1941 football squad. On the Argo gridiron that had a close resemblance to a miniature Lake Michigan due to a three day down-pour, the two teams wallowed back and forth in the mud for the league championship. The Meteors captured the only score of the game in the opening minutes of play and held on to their 6 to 0 lead until the final gun. Again it was a pass from Vitale to La Noue, made possible by "Bull" Padjen. The victory over the Argonauts clinched the title for Thornton Fractional.

It was the South Suburban vs the Big Eight on November 6. Playing in a blinding snowstorm, Fractional scored and Perkins converted in the early minutes of play to hand Elgin, who was

runner-up in the Big Eight, a 6 to 0 downfall. It was the third straight contest to be decided by a touchdown pass. This time it was Galik who grabbed one dose of Vitale's tosses. Elgin, using the famed T formation did not score until the final period. Failure of the "Watch City" to penetrate the stalwart Meteor line for extra point cost them a tie.

The Petreemen rang down the curtain of the 1941 football season by inflicting a crushing defeat on the Warriors of Hammond Catholic Central 26 to 0. It was sweet revenge for the Calumet City lads, who were held to a scoreless tie the previous year. The Meteors cracked the Hoosiers' line to bits in repeated drives, but were held to four touchdowns. Beautiful runs by Giglio and Vitale enabled them to cross paydirt, but penalties recalled the touchdown sprints. Perkins's well-directed conversions gave the Meteors two points.

The outstanding feature of the Meteor offense during the successful grid season was the splendid aerial attack. Final records show the Meteors to have complete 54 of 49 passes attempted and six of the 18 touchdowns were via the sky route. A trio of teams, Bloom, Argo, and Elgin were defeated as a result of a touchdown pass.

Of the 24 monogram winners, 15 are seniors, and will be sorely missed.

A tense Moment in the Bloom Game

LaNoue Perkins

You may not know it, but there are future Tom Harmons, Don Hutsons, "Bulldog" Turners, and other gridiron heroes in the picture below. Yes, sir, it is the Frosh-Soph squad coached by Aitken Young, which compiled 97 points to their opponents' 38, in winning six out of eight tilts. The Youngsters finished second in the "Kidlet" division of the South Suburban League.

Impressive victories were turned in against Lew Wallace, Kankakee, Blue Island, Morgan Park, Bloom, and Argo.

A heart breaking loss occurred to the Meteors in the final appearance of the season against Elgin. After battling to a scoreless tie for 60 minutes the Elgin backfield was in motion on the last play of the game. The gun sounded and the contest was over, but another play had to be run due to the penalty. It was a Hollywood finish as the "Watch City" connected for a touchdown pass, spelling defeat for Calumet City.

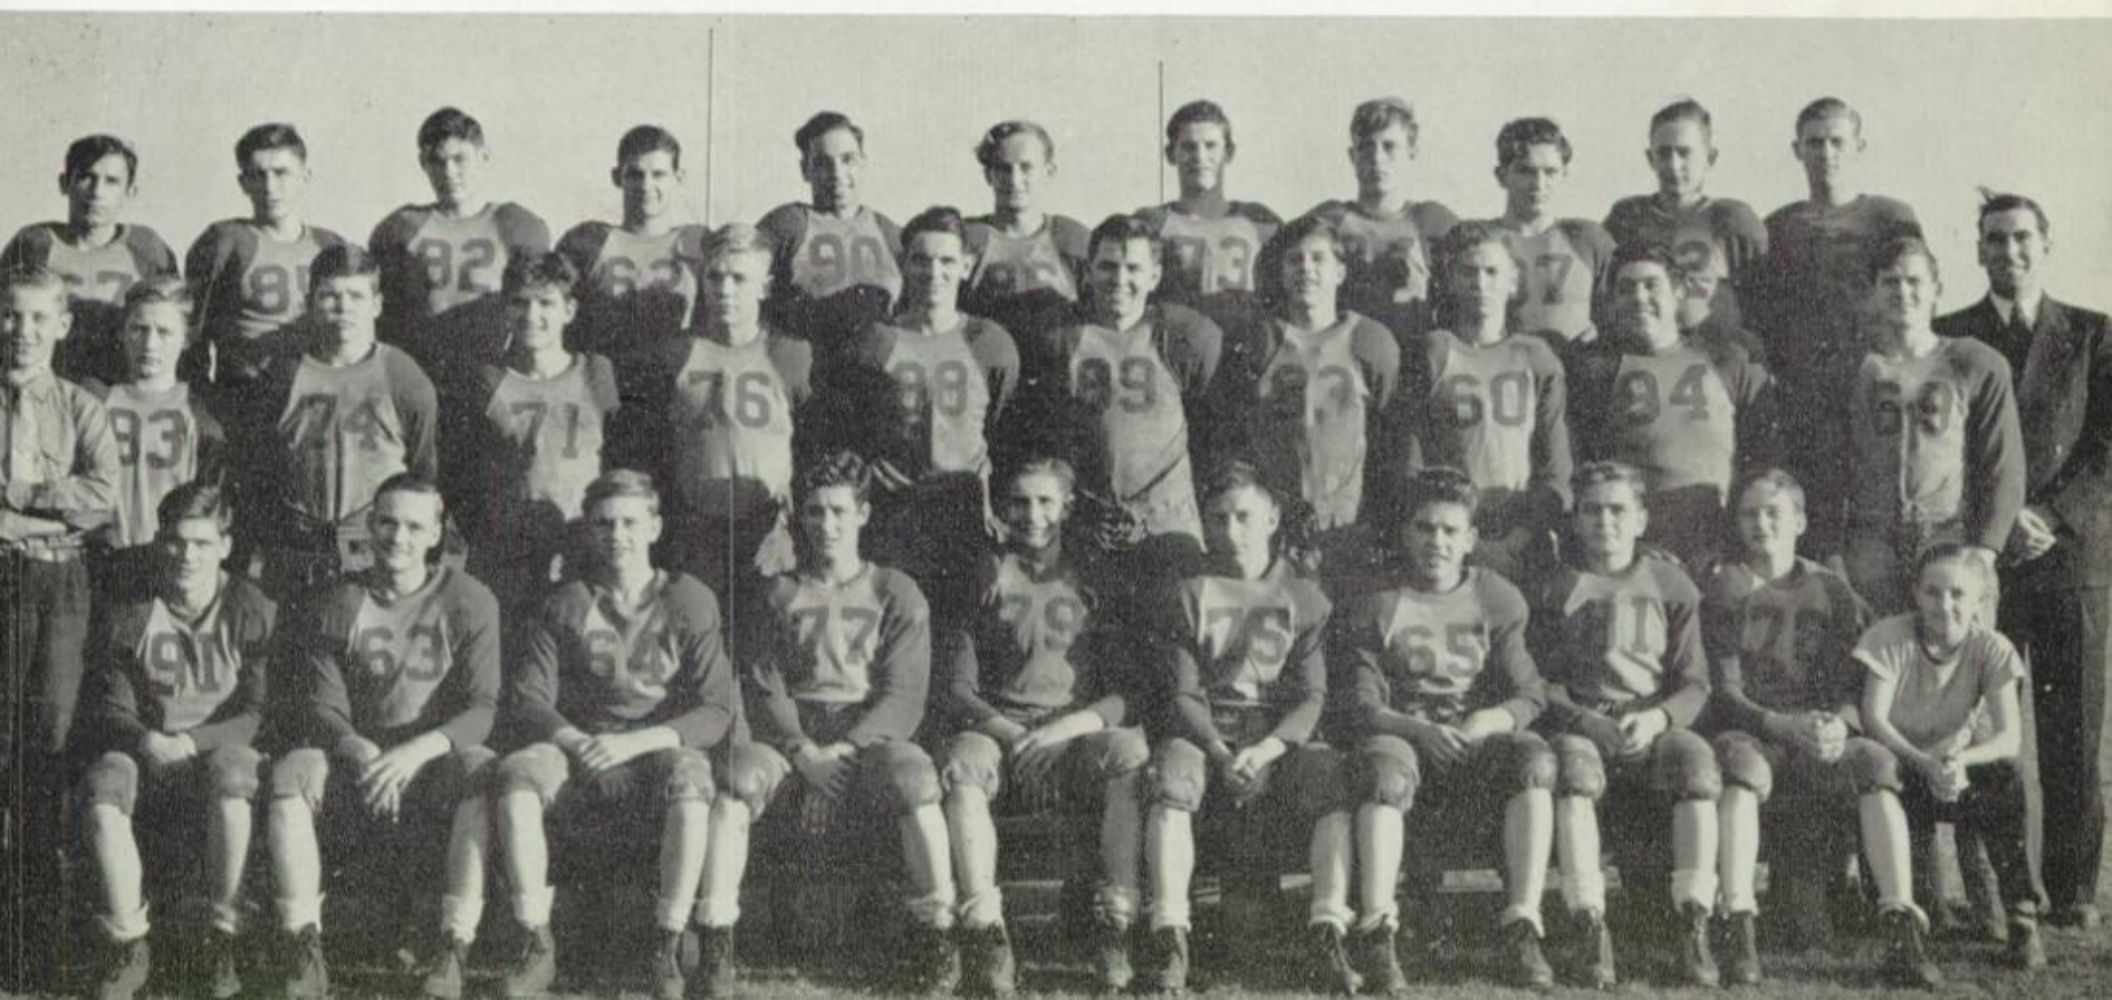

Two fumbles cost Fractional the Junior title in the SS. Loop. With the score tied 7 to 7 at halftime, Harvey took advantage of tough breaks in the last two periods as TF fumbled on their 8 and 11 yard line and the "Wildcats" immediately pushed the pigskin across paydirt on both occasions to win the league Championship.

Showing promise and consistency throughout the season were Pomelia, Nondorf, Hoge, Hasiak, Nagy, Dunn, Mathews, and Knoerzer.

Impressive Even When Losing

Anticipation of a successful basketball season was running high when all but two of the 40-41 "hardwood" athletes reported to Coach Young for the first practice sessions. At the close of the season, the Meteors found themselves tied with Argo for the number two spot in the South Suburban Conference and a record of 11 wins against 7 setbacks.

Although the win and loss columns imply that the Purple and Gold did not live up to expectations, the team showed impressiveness even in losing. Two encounters were lost by a single point, while a trio of defeats came after two first string members of the squad graduated at mid-year.

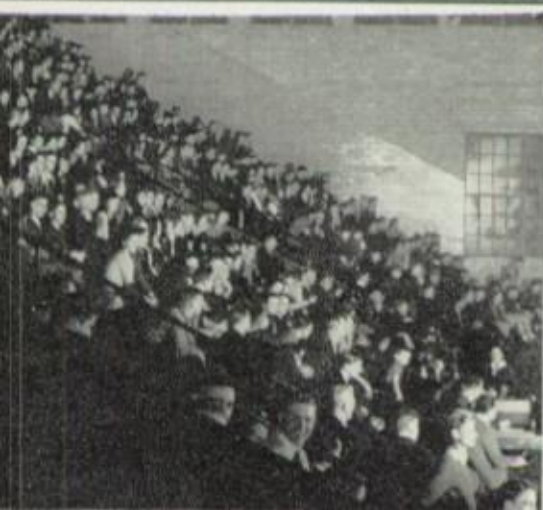

The net season started with a bang as the Meteors downed in succession Peotone, Blue Island, Kankakee, Lockport, and Argo. The highly touted Harvey outfit administered TF their first defeat followed by losses to Hammond, Clark, and Chicago Heights. In the next three encounters, Calumet City's opponents, Blue Island, Gilman, and Kankakee, finished on the short end of the score. The Meteors, again meeting the "Wildcats" of Harvey and Argo, took it on the chin in both tilts, but the sixteen game schedule was completed with decided wins over Bloom, and over Elmhurst, the West Suburban Champs.

Meteor basketball fans are looking to next season with a great amount of optimism as only two letter winners will be lost by graduation. The Monogram boys are:

MACK BUDZOWSKI—elected honorary captain. Mack in his first year as a heavy-weight displayed much of the drive at forward as he showed when a member of the Kiesterites. Budzowski is a senior.

BILL FREYMAN—in his first year as a varsity player, Bill stamped himself the most consistent member of the squad. Freyman led the team in scoring.

LEW GALIK—Lew's height was sorely missed after his mid-semester graduation. Excellent offensive player. Had an average close to 10 points a game.

TED PIETRZAK—a big boy who added defensive strength to Coach Young's aggregation. When the going gets tough you can count on Ted to hold the team together.

ARCHIE ROSS—the heaviest man on the team. Archibald could be counted on with his aggressiveness to add enthusiasm to any contest.

FRANCIS JONES—Another tall boy. Filled in the center spot nicely after Galik graduated. Outstanding player of the York upset with 6 baskets.

DAN SESTAKAUKAS—only a sophomore, Danny is looking forward to the next two years. Has plenty of size. Good in controlling rebounds.

ED NONDORF—small but fast. Eddie should develop into a great hardwood athlete. Nondorf is a sophomore.

DON ZIMMERMAN—"Zim" showed what he had toward the end of the season. A fast guard, Don should be one of the mainstays of the squad next year.

Galik Goes up in the air.

Lightweights Rule Again

The T. F. Lightweights rule the South Suburban hardwood again! With a league record of 11 wins and one defeat, the Meteors captured the title for the third time in the past four seasons under the expert guidance of Coach Jackson Kiester. The highly successful 17 game schedule was completed with the Purple and Gold topping the score on fifteen occasions.

Entering the Blue Island Sectional Tournament March 18 as a co-favorite with Tilden Tech of Chicago, the stateliners downed their first opponent, Parker (West Chicago Champs) to the tune of 28 to 11 and then fell before their arch rivals, Tilden, 27 to 16.

The Kidlets had opened the season on December 2 with an easy victory over Hammond Tech, 27 to 7, and followed three days later with another onesided victory over Blue Island, 41 to 19. It took the Meteors overtime to eke out a scant 21 to 28 win over Kankakee the 12.

Wally Horvatic

On December 19, Lockport came to town to try their luck against the fast stepping Kiesterites, but they too ended on the short end of the count, 25 to 10. The following night the team traveled to Crete and again were victorious.

After a two weeks' lay-off over the Christmas Holidays the Kiesterites lightened their hold on first place by handing Argo a neat 45 to 18 licking on the home floor. The following night it was Harvey's turn to go down in defeat before the mighty Meteor Cagers on their own hardwood to the tune of 29 to 12.

On Friday the 13th of February, the Kiesterites met their Waterloo when they encountered a scrappy Harvey five. A last second "Wildcat" basket gave the Purple and Gold their first loss, 19 to 18, and ended the victory string at number 13. However, the title was clinched at Argo the following night as the stateliners won 38 to 20. Bloom, the final league opponent, was subdued the 20th of March on the home floor 18 to 13.

The second defeat of the season hit the Kiesterites the 27th. After letting up from their championship drive the West Suburban Champs, Elmhurst, whipped the boys 26 to 22 to write "finish" to the impressive season.

Every man on the squad expressed his gratitude when Judge Finneran, a former board member, presented the champs with gold basketballs to compliment their accomplishment.

Much credit should be given to Jackson Kiester, fifteen year veteran lightweight mentor. Through his cunning and knowledge of the game, Kiester has constantly turned out brilliant aggregations. His popularity with the boys has been the main factor in the success of T. F. Lightweight squads.

Art Ollrich

Johnny Cipolla

Lightweight Monogram Winners

JOHN PANK—Captain of the squad. Johnny's excellent defensive ability was a main factor in holding the opponents to a 16 2/3 point average.

BERT SWANSON—In the pivot spot, Bert was the most improved player on the club. Didn't shoot much, but when he did the ball usually went through the basket.

WALLY HORVATICH—The classiest all around lightweight in a decade. Strong defensive player and runner-up in points scored. Biggest man on the team. Will play heavy-weight ball next season.

JOHN CIPOLLA—The other senior member of the first five. Operating at forward. John was a valuable man on offense.

ART OLLRICH—Little Art is following his brother Eugene becoming a T.F. basketball star. Has uncanny ability for field goals. High scorer for the Kiesterites.

ED KUHLMAN—"Shorty" was the sixth man on the team. His aggressiveness proved to be a valuable asset to Coach Kiester's attack.

CHARLES GULATTA—Charly, only a sophomore, will develop into a good lightweight. Likes to hit long shots.

DEAN CULP—A senior always giving his best. Dean proved to be a good team man.

BOB MARCH—One of the smallest players on the squad. Bob will be back next year.

GEORGE BURKHART—a Lansing product with a good eye. You will hear plenty from him next year.

CARL SCIAKITANO—Stocky Carl played a good game at guard. An excellent long shot artist.

JACK LA NOUE—Grid hero who likes action. Good on a fast break. Likes to shoot.

HENRY ZALEWSKI—This Burnham flash likes to mix it up. Another sophomore who has a good eye for field goals.

Kelly Builds for the Future

With only two lettermen back, Lucien Trimbur and Tom Felsecker, Coach Kelly knew that an outstanding record could not be accomplished. He, therefore, planned to build for the future. Although victorious in only three out of eleven meets, the future, indeed, looks encouraging for the Fractional "Splashers" as a number of talented underclassmen were discovered.

Those who gained swimming monograms this year were: LUCIEN TRIMBUR . . . Senior . . . Captain of the tank squad. Was high point man on the team.

TOM FELSECKER . . . Senior . . . Tom was the diving specialist of the Kellymen. A two year veteran.

JOE STASIAK . . . Junior . . . A hard worker . . . Hopes to be as great as his brother Pete, a former Meteor star.

ROBERT SULLIVAN . . . Sophomore . . . Second high point man. With two seasons ahead of him, Bob should develop into an outstanding swimmer.

FRANK GUDGEON . . . Sophomore . . . Shows great promise and will be back next year to add to his laurels.

WALTER RAASCH . . . Senior . . . "Walt" swam the free style and added many a point to Meteors' total.

HERMAN BAXTER . . . Junior . . . Always swam a good race. Kelly expects Herman to be a valuable team man next year.

GLEN VANDER AA . . . Junior . . . A big boy with plenty of strength for the distance.

HARRY SPANNON . . . Junior . . . Harry was the efficient manager whose handy work was enjoyed by every member of the squad.

JAMES HENDERSON . . . Senior . . . Another serious loss. Swam in the free-style.

Wrestlers Improve Amazingly

Although getting off to a bad start, the "grunt and groan" squad of T. F. improved amazingly as the season progressed to give them an even break in fourteen meets. In the last seven matches the Meteors were victorious in five, defeating previous opponents who had soundly whipped Calumet City early in the mat season.

Outstanding wrestler under Coach Potts was Ray Kmak, captain in his junior year and reelected co-captain for '41-'42. Ray was victorious in 68 matches during his high school career and the only athlete to beat the State Champion, Parsons, of Proviso.

Lettermen of the wrestling team are: RAYMOND KMAK....Senior....Captain in his junior year. Re-elected Co-Captain. Took a second in State Tournament. Won 68 high school matches. WILLIAM KORTENHOVEN....Junior....Proved to be a dependable and trustworthy manager. JOHN VEZMAR....Senior....Co-Captain of the squad. Will be sorely missed next season in the 125 lb. class. JACK SOLOMON....Junior....One of the mainstays of Coach Potts's outfit. Small but tough. CARL FALKENSTROM....Sophomore....Could always be counted on to add points to Fractional's score. One of the outstanding members of the team. GEORGE WHITMIRE....Senior....George is a boy who always gives his best. A good team man. ROBERT KMAK....Junior....Hopes to fill the shoes of his brother. Showed plenty of strength in the 135 lb. class. ROBERT RENTNER....Senior....one of the most spirited boys on the squad. Showed determination. LEO HODUR....Senior....another veteran who will be missed when the "grunt and groan" season rolls around. WALLACE COSGROVE....Junior....the biggest man on the squad. Turned in good performances in both 175 and heavyweight divisions. MILTON VAN DRUNEN....Junior....Qualified for State Tournament but illness prevented his entry. Should be a powerhouse next season. EUGENE BRINKMAN....Senior....Eugene proved his stuff on the mat and earned enough points for his letter.

Numeral Winners: Irving Weinberg, Jack Thaldorf, Oscar Spindler, Melvin Porter, Harold Recker, Martin Bock.

Fun Is Had By All

Thornton Fractional's all around intramural program is undoubtedly one of the most important events of the school year. Approximately three-fourths of the entire enrollment of boys participate in the activities climaxed by the evening of the Athletic Carnival, in which finals of the various events are run off.

A well-rounded list of activities are offered. Basketball, swimming, boxing, wrestling, ping-pong, and checkers take the spotlight.

The main purpose of the program is to let the fellows, who for various reasons are not members of T.F.'s athletic squads, show their skill. Annually the coaching staff runs across boys with ability who are induced to try out for teams.

Win or lose, fun is had by all.

Let the Record Speak

Time fascinates me! It seems only a short time ago that I entered school as a freshman, and now graduation is almost here. G. A. C. was one of the outstanding activities during my four years, and soon it will come to a close. I now have only memories, but what memories!

I'll always carry with me the picture of Lila Mae Winterhoff smashing back the volleyball from any position on the floor, of Dorothy Krass clenching her fist and sending the

When I was a freshman, I marveled at the ability of the outstanding players and now I sit back and visualize the girls who are and will become a part of the "cream" of the crop. No one will surpass Dorothy Lucito or Abby Alys Abblett in sinking second base shots, or Lillian Hudzik and Norma Urbanski in flipping the ball in from first base. Ruth Becker and Norma Butler are only freshmen, but time will smile on them and in a few years they'll join the outstanding ones for their volleyball playing. It was Virginia Fe-

Yes, sir, all these girls belong in G. A. C.'s Hall of Fame. Just ask the person whose advice on this subject is most respected, the one and only Miss Jaacks.

I'm sure everyone in G. A. C. would agree that at the head of all these players would stand small but mighty Nora Heimbuch, dynamite on any floor, including the dance floor. She was the only girl that could rush around the excellent guarding of Phyllis Nordaker and score baskets. She held on to all the sizzling line drives, including those meteor-like balls hit by Ruthy Schutz. Besides her unusual ability in sports she'll always stand forth as one of the best G. A. We've transacted a lot of business in our G. A. C. meetings, too. Our G. A. C. Social was a huge success and we even helped buy a Defense Bond. This year certainly has been complete. Everything was almost perfection itself. The Initiation Party and our banquet were the best held in T. F.'s halls for a long time. It was at the Initiation Party that Doris Schutz, Norma Heimbuch, and Nelda Berger received their major letters after having worked four years for them.

G.A.C. has helped to round out four wonderful high school years and although they are gone I'll always have them because—Time fascinates me—I can always bring the past up to the present through my memories—my G. A. C. memories.

I think the reason I enjoyed the G. A. C. sports volleyball, basketball, captain basketball, swimming is that I loved the kids that them. I made and came to sportsmanship ics. rich, Alma and Faye Sausaman, Virginia Fedosky, Elizabeth Hesselbarth, and Abby Alys Abblett. The trick swimming and flashlight performance were highlights of the show. Betty Ann Rappe announced the various acts and performers.

The membership in the club was the largest it has ever been; therefore bigger and better shows were given. The Water Carnival held in November was such a huge success that four shows had to be given for the one evening.

Although the girls did not place in the annual telegraphic meet, everyone had a lot of fun taking part in the races.

Yes sir, this was one year that all the girls spent in amusing and enjoying themselves as well as making a big name for their club—Terrapin.

8—The square dance came off O. K. at the intramurals. We sure worried!

9—The radio play was cast.

10—At Junior Council meeting we began making plans for Junior-Senior Prom.

11—Alumni Dance

13—Took my bicycle out of storage.

14—Radio script was due today. I worked.

15—Nominations for the Girls' Club Board are posted.

16—I get to attend the Girls Club Conference in Cicero.

17—The Boys' Club Dance came off swell. The air raid theme was very good.

20—Clean up day. We even had a parade.

SOME CHANGES

The past year saw a lot of changes in Dame Fashion. For instance it saw the girls going around with their hair in pigtails, then watched them crop it off in three inch cuts.

It saw the boys outdoing the three inch business by getting brush haircuts and looking like prisoners awaiting execution.

It saw the glamour girls go to the other extreme and wearing their hair Veronica Lake style—long and straight with a wave covering one eye and obscuring their vision.

It saw the wave of "Sweater Girls" striving to resemble Lana Turner.

It saw the wearing of $\frac{3}{4}$ socks much to the disgust of the boys.

It saw the boys going rustic and wearing overall pants with wide suspenders much to the disgust of the girls.

It saw the girls trying to outdo each other with bigger babushkas and longer fringe.

It saw the girls going Hollywood and wearing slacks with casual polo coats.

Yep—We sure went through a lot to suit Dame Fashion—but it was fun.

Horst.

THEY ALWAYS SAY—

Mrs. Canaga—"If you don't believe me—look it up in history."

or—

"Geography and history are married and cannot be divorced."

Miss Jaacks—"Ya get me?"

Miss Schmidt (to beginning typists) "a;sldkfjghfdksla;"

Miss Moe (to me)—"That article was due last Wednesday."

Miss K. Brazzill—(to third period library)—"Quiet back there at the last table."

Mr. Smith—"A coupla three — four."

Miss McBrair — "People! Please
be quiet."

Mr. Lambka — "It's not Latin —
it's your head that's hard."

Mr. Elvin—"How comes this?"
Horst.

And him work hard without
no pay
Poor little sun, him not very
gay
Why him unhappy? We'll tell
you quite soon
For poor little sun, him in love
with the moon.

Beautiful moon all pretty and
white
Our poor little sun, him's
loves did invite
Her flirted, and winked her
starry eyes
Our poor little sun can't take
it, him sighs.

"Oh bootiful bootiful maiden
afar,
Would I were a little star"
"Why you wish you was a
star?"
"So I could be where e'er you
are."

But alas, this cannot be
For sun at night, shall ne'er
be see
But moon in day—aha! we
cries,
"The moon and sun, they
compromise!"
—Reynolds

THE COMPROMISE

MASTER ENGRAVERS TO AMERICA'S SCHOOLS

DEPENDABILITY

in Photo-Engraving is symbolized by the name "PONTIAC"

It's because of this reliable service and quality that hundreds of schools throughout the country return to Pontiac, year after year, for their engraving requirements. The SCHOOL PUBLICATION DIVISION of Pontiac offers a distinctive service to schools and colleges. Inquiries are invited from publicity directors, yearbook and newspaper staffs.
